In general, Utah residents may exclude interest income attributable to municipal tax-exempt mutual funds (and bonds) when calculating their state income tax when one of the following occurs:

- Municipal bonds represent a Utah municipality or state-related agency.
- Municipal bonds were issued by the District of Columbia or these states (or political subdivision or agencies of these states): Alaska, Florida, Indiana, Nevada, North Dakota, South Dakota, Texas, Washington and Wyoming.
- Municipal bonds were issued by most non-federal government entities outside of Utah if owned prior to January 1, 2003.

Your percentage of earnings on your USAA fund(s) excluded from Utah state tax is:

|                         |                                 |                          |                            |                            |
|-------------------------|---------------------------------|--------------------------|----------------------------|----------------------------|
